Dear [redacted]

Attached is a list depicting vehicle assets authorized detachment "H". Please reflect the vehicles in section 18 of the "H" SLOE for control purposes.

In addition to the vehicles shown on the attached, increase the authorization by 3 ea. 2320-024-0189 Jeep 4x4 Registration Numbers 183897, 232257, and 20971928 for a total of 9 Jeeps. These three Jeeps were recently shipped to Detachment "H" to alleviate a critical vehicle shortage and are not reflected on the attached listing. Registration numbers are shown in lieu of "K" series Serial Numbers normally assigned Air Force vehicles because the three vehicles were obtained from government sources other than Air Force. Registration numbers pertaining to these vehicles will be used for control purposes only and will not be utilized to effect replacement of the vehicles.

Thank you for your cooperation in this matter.

Sincerely,
